Spelling Tic-Tac-Toe

This board includes many different activities to help your child practice his/her spelling words. Your child must choose at least three of the activities to complete for weekly homework. The activities must make a tic-tac-toe line: horizontal, vertical, or diagonal three in a row. Please mark your choices with crayon, marker, etc. Parents, you are encouraged to assist your child as needed to make homework a positive learning experience. This sheet should be turned in on Thursday. Have fun!

**NOTE: If flash cards or other items are created, these need to be attached with the other papers. All materials will be returned after they are checked.*

Write and illustrate your spelling words.	Put all 25 spelling words in alphabetical order.	Write all your words once using something other than a pencil.
Have an adult give you a practice test at home. Be sure the test is checked and signed by an adult.	Put all 20 words in reverse (backward) alphabetical order.	Write each word once making the /el/ endings (-al, -el, -il, -le) red and the rest of the word blue.
Find synonyms (words that mean the same thing) for your words.	Practice the words out loud with an adult.	Write a sentence for 20 of the words.
